## Gunallo Merino and Poll Merino Stud

Is situated 8km south of the Mallee Highway between Murrayville, Victoria and Pinnaroo South Australia. Gunallo breed uncomplicated sheep that are:

- Early maturing, fertile rams
- Long stapled crimp white wools
- Large framed
- Strong constitutions
- Working towards a mules-free sheep

Extensive AI and ET have been instrumental in achieving these goals, as well as advice from our Stud Classer Bill Walker.

**Ovine Brucellosis  
Accredited & MN3**

In 2016 Gunallo sold rams to a top price of \$16,000. Gunallo also sold rams to \$8,750 and three @ \$8,000 with rams going to WA, SA, Vic, and NSW.

It was good to see once again client's receiving good prices for their wether lambs, young ewes and old ewes at Off-Shears sales around the country.

We are quite excited about this years young rams which are showing plenty of potential with more rams having elite free growing wools on large frames. Sires used for this years rams includes first progeny of Gunallo 007 "Bond", Ridgway 721, Gunallo 67 "Sandilands", Leahcim 2039, Moorundie NE08, as well as Kamora Park 37, Gunallo 55 "Lustre", Gunallo 008 "Pride", Leahcim 2918, Gunallo 374, Lea 190, plus other leading sires.
