Rams for Hamilton Sheepvention 2010

The rams that will feature at Hamilton Sheepvention are as follows:

This young ram is structurally correct, good on feet. He has elite wool which is pearly white, deeply crimped and is long stapled. Be sure to check him out.

A young sire with a massive square body and a deep underline. His wool is soft, bright and crimpy, free growing with good figures.

An exciting young ram which is ET bred. He has a super white wool, long stapled free growing crimpy wool that will handle both wet and dry conditions. Check him out.
